Training/Webinar
The Department of Health Care Services (DHCS) and CDA, in collaboration with Managed Care Plan and CBAS provider trainers, will conduct a training webinar to present information to CBAS providers and managed care plans impacted by the Phase II cutover to managed care. The training webinar will provide information regarding how to process new candidates and existing participants, eligibility assessments and authorizations, business processes and workflow, payment and more. Both sessions will cover the same material, but providers are welcome to participate in either or both sessions.

When
Dates: Wednesday, September 5, 2012 and Friday, September 14, 2012
Time: 1:00 - 4:00 p.m.

Invitation to Participate
This invitation is specifically for those CBAS providers and plans impacted by the Phase II transition to managed care. CBAS providers in neighboring counties may also wish to attend the webinars if they are providing services to Phase II county beneficiaries. Instructions for webinar registration are forthcoming.
