Monthly Donation Reminder.....

The Senior Nutrition Program is made possible by the generous support of volunteers, the Board of Supervisors and donations from the community. We are often asked by those receiving meals, what the suggested donation is for the meals that have been delivered to them.

Based upon the suggested donation of \$2.50 per meal, determined by the Commission on Aging, the suggested donation for the Month of **January** is:

\$52.50 for one person (**based upon 21 days of service this month ~ no frozen weekend meals**)

\$105.00 for two

\$77.50 for one person (**based upon 31 days of service this month ~ includes frozen weekend meals**)

\$155.00 for two

Although every donation helps the Senior Nutrition Program continue to serve homebound seniors in our community, there is no obligation to make a donation. Your contribution is purely voluntary. Home delivered meals will be provided whether or not you donate.

Donations may be given to the volunteer when they deliver your meal or you may send your donation to the address above. Checks may be made payable to the Senior Nutrition Program.

Thank you for your financial support.
