This Program Memo (PM) transmits the Title V/Senior Community Service Employment Program Planning Estimate (PE) for State Fiscal Year (SFY) 2009-10. Federal funds included in this PE are based on the prior year federal allocation from the Department of Labor. There are no state funds for this program. Allocated participant slots were used to distribute federal funds to each Area Agency on Aging.

The Department anticipates issuing the 09-10 contract based on this PE by April 15, 2009. The PM that transmits the contract and Budget Display will provide instructions on the specific date for submitting a budget that reflects the figures included in the Budget Display.
