

Poverty Guidelines for Older Americans Act and Older Californians Act Programs

Updated: February 2015

The purpose of this document is to provide a convenient place for Area Agencies on Aging (AAA) and their service providers to find information on poverty guidelines for Older Americans Act programs. Various programs use the guidelines for eligibility criteria, targeting, and or/reporting purposes. Tables A, B, C, D and E, along with the Individual Program Eligibility criteria, provide the most current poverty guidelines available. It is the AAA's responsibility to implement program eligibility criteria updates in accordance with the information provided.

The Federal Poverty Guidelines (FPG) are updated periodically in the Federal Register by the United States Department of Health and Human Services (HHS), under the authority of 42 U.S.C. 9902(2). On January 22, 2015, HHS published the new 2015 poverty guidelines.

Please provide these eligibility, reporting, and targeting requirements to the applicable service providers to ensure program compliance. Inquiries may be directed to the CDA Data Team at DataTeam.Reports@aging.ca.gov.
